GLEN BROTHERS—GLENWOOD NURSERY—ROCHESTER, N.Y.
This magnificent assortment including one Los Angeles for $10.00. All strong, 2 year old field grown plants—will bloom this summer

1 LOS ANGELES. (Illustrated). A 1927 Rose which is said to be one of the finest ever introduced. In scope it is a tremendous flower-pink, blended with mallow and shaded with transparent gold at base of petals. The both are long and pointed, expanding into enormous, intensely fragrant flowers which retain their color until the last petals fall.

1 GRUENANTHEMUS. (Illustrated). A 1930 Hybrid Tea of tall type and enormous beauty. The flowers are very large, long and pointed, the Tips are a very soft, subdued pink, and are extremely perfumed. Vigorous. A lovely and distinct form of great merit.

1 KILLARNEY PINK. (Illustrated). The flowers are very large, long and pointed, the Tips are a very soft, subdued pink, and are extremely perfumed. Vigorous. A lovely and distinct form of great merit.

1 GOLDBLATTEN. This is a lovely pastel pink American beauty. The growth and making of the plant is superb, while the flowers show more of brightness and form of the Standard Rose in our collections.

1 H. FLANK. A well-bred ancient rose, with large, round, long-stemmed flowers of large and superb exhibition qualities, deep shaded rose-scented fragrance.

1 PRINCE KARL DRUMHILL. The buds are handsome, long pointed, opening to very large, cupped flowers of pure, purest white and great substance. A very popular garden and exhibition beauty, very fine and continuous flowering.

1 JEW HUGGER. Bright rose with mahogany center, large and Saucer. Very profuse bloomer.

1 PERSIAN PINK. A beautiful deep golden yellow bloom of large form and Saucer. Vigorous growth.

1 PRINCE CARL LIEBHOFER. One of the most handsome American Roses. The blooms are large, fully double, very rich in color, shaded with crimson. Very fine blooming and vigorous.

1 MARIA CHARLES. (Illustrated). Large rose with large form and very long, cupped flowers of pure, purest white, very fragrant, exceedingly vigorous.

This is unquestionably the finest assortment of roses we have ever offered or have ever seen offered for $10.00.
SUPER-SIZE FRUIT TREES—Apple, Pear, Plum and Cherry

Extra large—Extra old—Extra fine—Well branched—Well rooted—Well balanced—Trees 7 to 9 feet tall
SUPER-SIZE FRUIT TREES ARE GROWN EXPRESSLY TO SAVE YOU TIME

For those of our customers who desire trees of larger size than are usually sold by nurseries, and desire quick results, we have grown a few thousand of these handsome specimens. It takes work, time and money to produce them and we have spared neither. Inquiries for these older and larger trees are becoming more numerous each year. Hence, to supply this increasing demand, we are now growing a much larger stock of SUPER-SIZE FRUIT TREES than formerly.

Under date of October 16th, Mr. C. R. Rinehart, 250 West 54th Street, New York City, wrote a former nurseryman now residing in Rochester, as follows: "Since writing you, I have written to a couple of nurseries in Dansville, and one in Geneva, and it looks as though I was not going to be able to get an Apple Tree much in excess of two years. I am disappointed in this as I would like to get it as far along as possible."

Mr. Rinehart received a reply as follows: "You say you want trees older than two years and find them hard to locate. I happened to visit the nurseries of Glen Brothers, Rochester, the other day, where I saw a very handsome block of older fruit trees, including some handsome Apples."

To those of our customers who desire such trees, we offer the following assortment:

Luscious Blueberries
Delicious Three Times a Day

With sugar and cream for breakfast; blueberry dumplings for luncheon; blueberry pie for dinner.

The annual blueberry crop sells for millions of dollars, yet there are comparatively few people who have ever tried growing blueberries in their gardens.

Try a Dozen of our Large Bushy Collected Plants This Spring—Fruiting Season Early July 'till Late Summer

Nor should the ornamental value of blueberries be overlooked. Prof. Bailey says:

"In the spring the young shoots and leaves are a rich brown red, later the clusters of long, white flowers, followed by clusters of dainty pink buds; in winter the red leaf creates a charming contrast of red leaves against the snow. Lurie does a plant of shrub combine such exquisite beauty with a fruit than which there is none more delicious. It is one of the most valuable of all fruits; it ripens before blackberries and raspberries become plentiful.

Strong, bushy plants, 2 to 3 feet
Price $2.00 each; $20.00 per dozen

Delicious Loganberry
A Blackberry-Raspberry

This fruit is larger than the largest size blackberry, is of the same form and shape; color when fully ripe, bright red deepening to maroon. It partakes of the flavor of both the blackberry and raspberry, having a very mild, pleasant, vinous flavor delightful to the taste and not found in any other fruit.

It is excellent for the table—to eat fresh or stewed, and for jelly or jam is without an equal. Rips before blackberries and raspberries become plentiful. All of the plants that we offer are of our own growing here at Rochester and most of the plants have produced fruit in the nursery row, hence purchasers are assured of receiving strong, well rooted, 2 year old plants.

Price $5.00 per 10; $40.00 per 100

Wonderful Grapes

**WORDEN**—Bunches large; fruit larger than Concord; black.
**IVES**—Fine for making red wine; Color of fruit, black.
**CATAWBA**—Bunches large; fruit large of a coppery red color; juicy.
**WYOMING**—Fruit large; juicy and sweet; bright red.
**NIAGARA**—Fruit large; pale yellow; sweet.

Prices for these extra large and extra old plants, $1.00 each, $10.00 per dozen.

Note: Most of these plants have produced fruit in the nursery row during the past summer.
WASHINGTON PEDIGREED ASPARAGUS

Washington Rust Resistant Asparagus is the result of plant research and breeding by the United States Department of Agriculture. Your garden produces everything else—why not grow some asparagus? It is as simple as 2-1-2.

Let us tell you why

Asparagus—Pie Plant—whatever you wish to call it, there is nothing like it for pie and sauce—it's healthful, too.

Plant this Spring—Ready to use in thirty days

Extra large, of fine bloom, and crimson color, this new variety of appetizing "pie-plant" should be in every garden and will be when known. Plant a few this spring along beside that you now have growing in your garden and note the difference. Burbank's Giant Crimson is superior in size and quality to any variety we have ever tasted. It is an early variety without being in the least tough or stringy, with a mild sub-acid flavor. Largest and best of all for market or home use. Plant this Spring in good garden soil, manure well, and have delicious pie and sauce all summer.

Prices: Strong 2 year plants, $3.50 per 100; $30.00 per 1000. Extra large, 3 year plants for quicker results, $7.00 per 100; $70.00 per 1000

Burbank's Giant Crimson RHUBARB

Rhubarb—Pie Plant—whatever you wish to call it, there is nothing like it for pie and sauce—it's healthful, too.

LA FRANCE EVERBEARING RASPBERRIES

Medals and first class certificates from Massachusetts Horticultural Society, Horticultural Society of New York, American Institute of Science, and other leading agricultural and horticultural boards.

Best in Size, Taste and Productiveness

La France is a new ever-bearer, producing its first large and delicious fruit in June, another picking in July, still another in August, and still another in September. Raspberries on Your Table Four Months in the Year

Raspberries, full of rich, creamy juice, highly flavored and sweet as honey. From June till October, La France produces its delicious fruit.

Prices: Strong field grown plants, $3.50 per 12; $20.00 per hundred
I handsome foliage; flowers fragrant, pure white or cream-white in dense racemes. An old favorite.

FORSYTHIA. Graceful shrub, with branches drooping to the ground, where they often take root; the branches are literally covered with the golden yellow flowers in early spring before the leaves appear. Good cover for steep slopes, walls, fences and arbors.

All old-fashioned shrubs, but none prettier have ever been grown.

It is due only to our immense stock that we can make this remarkably low price. The plants are strong, bushy and well rooted. Regularly sold at 75¢ each; 57.00 per dozen.

We will accept your order for this collection of six for $2.50.

George Kennan, Medina, New York writes: "The shrubs and vines ordered from you last fall were in all respects the best lot of shrubs that I ever had from any source. I was immensely pleased with them. You may count on getting all my orders for the shrubs, trees and plants that you carry in stock."
NORTHERN NEW YORK GROWN NUT TREES

Grown at Fairport, New York, under severe climatic conditions; they must be hardy. Plant them for their beauty and the nuts they bear

ENGLISH WALNUTS—FILBERTS—BLACK WALNUTS—BUTTERNUTS

ENGLISH WALNUTS. Our trees come into bloom late and thus escape the spring frosts. Nuts are highest quality, sweet and rich in flavor.
